To the Court,
On March 23rd, 2023 I personally filed an objection with the Court to pending water right adjudication 75-15064 filed with the court by Sadie Barrett for 10 Riverside Drive, Salmon, Idaho 83467. Since I filed ~~this objection a couple of things have changed. There has been clear demonstration that there is enough~~ water in our system for all involved. In addition, we have reached a compromise with Mrs. Barrett and no longer wish to protest her case. Please withdraw my protest of Adjudication Claim 75-15064. In addition, let the Court know that I now support approval of her adjudicated water right claim without restrictions beyond what are normal and customary for a domestic use water right.

Sincerely,

David Craig
